STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Vadim Uvarov, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

When I was arrested on May 9 2012, I asked the detective if there were any arrest or search warrants, the officer said he didn't have any. The same question was brought up to the officers at jury trial. They said they did not have any of the warrants. They went onto private property broke into my home searched it and found nothing that they said I had.

Additional Ground 2

I never got the right for my fair speedy trial. The prosecutor and my court appointed attorney both signed my rights away to a speedy trial. I never signed my rights away, or the paper work stating it was alright with me. I also didn't resist arrest at the jury trial. I asked the officers if I resisted arrest they said that I did not resist arrest. My attorney ~~didn't defend me at all.~~ didn't defend me at all.

If there are additional grounds, a brief summary is attached to this statement.
